Updates on Health Care Reform – 2014 and Beyond

Presented by Arnold (Bucky) Gahagan, Vice President, Cross Employee Benefits

Bucky presents a program that will help you stay on top of the Affordable Care Act. The final regulations implementing the ACA's employer-shared responsibility rules, also known as the pay-or-play rules, were issued in February by the Departments of the Treasury, Labor, and Health and Human Services (the agencies) and include many important changes from the proposed rules that were issued in 2013. Our program will cover the final pay-or-play rules and new guidance and regulations that have been issued thus far this year. Bucky will also clarify gray areas, and help prioritize the tasks required to be completed to be ready for January 1, 2015.

This program has been submitted for HRCI recertification credits.
